Sanity is what gets lost in this triangle! Once you go in, the only way out is laughing! An outrageous comedy about two widows whose daughters have moved them into a condo in Las Vegas. The older ladies – full of complaints and pains – meet a gentleman, and the fun begins

First, enjoy a great buffet in the dining room. Then you will be escorted into the intimate theatre to watch the play. The evening will finish, when back at your table, you are treated to a cabaret.
